I understand that the "official" Petition count for initiating City Council for the Resolution of Intention is technically "closed." We do, however, have a number of additional Petitions that are in the process of being returned to us and want to submit those for the record and possible future public acknowledgement.

Attached are 2 Petitions. One from "6214 W. 87th LLC" and another from "Pepper, Lane, et al."

My unofficial tally is about 56% support for WTC BID renewal.

LAWA and the Westchester Association Petitions may be returned today, which should put the Petition support level above 60%.

Thank you.
